Dear Mom, Dad,
Mary, Mike,

Here are your souvenirs from
Russia. Mary's is the little
silver tray with the sugar
holder, spoon, and another cup
whose function I don't know.
Mom's is the other tray with
a vodka(?) container in the
center surrounded by four
little cups.

The Super Bowl is coming
on soon. It is very cold -
3° below zero this morning.
We bundled up to walk
over to the drugstore and
have our Russian^{hot}. It is
clear with a strong north wind.
We are having some friends
over for dinner and I am
building a fire -
Jim
